

July, 1977

TO: Eastern Iowa DX Association Members

FROM: Jim Spencer, WØSR

FALL MEETING

The fall meeting is planned for September. WØSML has volunteered to host the meeting, but an exact date has not yet been set. Dues will be due at this meeting, so bring your two dollars (out of town members, please send \$1.00). Failure to pay dues will remove you from the rolls. This will also be the night for election of officers. In case you have forgotten, the present officers are:

WØSR President
WAØWCR V. P.
WØVX Sec. Treas.

All full members are eligible to hold office in the EIDXA, WØSR and WØVX have asked to not be considered again, since they have each served two terms. However, there are many choices, since so many have upgraded from associate to full member status. Please give some thought to who will best serve the EIDXA. At present, you can choose from the following FULL members:

Fred Benson	KØAT
Doug Byal	WØSML
Joe Finkstein	WØMJN
Tom Lindgren	WAØWCR
Jim Maccani	WØHUP
Gary Toomsen	KØUPV
Dewey Treanor	KØSVX

John Lundberg, WBØIPH, and Julian Topolski, WBØLNF, should have all 100 cards in hand by the September meeting and should also be considered.

TWO LETTER CALLS

You can't keep up with the players without a score card. So far, the changes are:

WØMUH	now	KØAT
WAØVDX	now	WØVX
KØFLY	also	WØFO
WØFHE	now	WØSR
WØMOQ	now	W6XD
WØPCO	now	W5FO

WAØWCR, WBØIPH and KØUPV have applied in the July group, so look for at least three more.

EIDXA MEMBERSHIP CERTIFICATES

The certificates have been printed and mailed. A thanks to WAØWCR for his efforts in designing the certificate and working with the printer. A job well done, Tom.

W9DXCC MEETING

The W9DXCC meeting is scheduled for September 10, 1977 at the Itasca, Illinois Holiday Inn. Mark you calendar. Last year was a lot of fun and many of you are planning to attend again. We will send out more details when they are released. Hopefully we can get a group together again this year for the trip to Chicago.

DREAM SHEET

An updated Dream Sheet is attached. Have you been using it? It is only worthwhile if we use it and help each other find the missing countries. If you want to be included on the next update, let the secretary know.

147.57 MHZ

WØHUP and WBØIPH have now joined us on 57. Congratulations. Now 100% of the membership has the capability to get on 57. Check into the EIDX net every Wednesday at 10 PM, WBØLNF is net control. You will also find an informal get-together every night at about 10 PM. Why not join us?

MORE CONTESTS

Prepare! Here we go again. Mark you calendar and get in on the fun! We hope to enter the following as a club:

Oct. 29, 30	CQ WW Phone
Nov. 5, 6	CW Sweepstakes
Nov. 19, 20	Phone Sweepstakes
Nov. 26, 27	CQ WW-CW

Write now to the ARRL and CQ for logs, dupe sheets and summary forms. (CQ Magazine, 14 Vanderventer Avenue, Port Washington, L. I., NY 11050).

OUT IN THE WEEDS

KØUPV - Gary has quit his job at Collins and purchased a motel in Mason City, Iowa. He never even got up that 4 element Quad to become the big gun of Linn county. He did find time to make DXCC and pass his extra class. We wish him well in his new job as full-time DXer, part-time motel operator.

WØFO - Last year, he bicycled across all of Iowa and this year he is doing the same to Wisconsin. Texas, next year? Gayle retained his old call and now has two. You can find him on any night along with that select group of W2's working all the DX twice.

WBØKFB and WAØVUY - We're not sure what has happened to these boys. Rumor has it that they both have bad cases of TVI. We hope to see them soon.

Will the real WBØFHH please step forward?

WØVX - Moved into a new house in North Marion and finally got up his TH6-DXX. He bought a new TS-700 and has demonstrated his abilities with the arrival of his third daughter, Ann, in March.

KØEGA - Acted as bus driver for the group of EIDXAers who made the Dayton Hamvention. Managed to calm the masses when the elevator got stuck on the way to the hospitality suites.

KØAT - Purchased (stole) a 71-foot crank-up tower and has big plans to saturate Bowman woods with RF. Fred also purchased a 7553-C. Also has 100 cards for DXCC.

- WAØWCR - King of CW DXCC. Tom was the first EIDXAr to get the certificate CW DXCC and now has around 200 countries on CW. He has added a KWM-2 to the station and "ears" is happily with all of that CW selectivity (2.1 kc).
- WØMJN - A new daughter, Tara, born in February keeps Joe busy.
- WØSML - Doug has received his DXCC since our last report. He has been spending most of his time out of town and time for hamming is a premium.
- WBØLNF - Julian has a new vertical antenna and a new Wilson synthesized 2m rig. He is working new countries all over the place.
- WØHUP - Finally on 147.57!
- KØSVX - The only one to get a card from JTØOAQ. Dewey has a new SB220 plus a new Wilson 5W hand held.
- WBØIPH - Finally got the Buck rig on the air and is now on 147.57. John is working on a new linear when he is not babysitting his new son, Jonathan, born in June.
- WØSR - Lucked out and got CW DXCC. Also Wilson 5watt HT to replace TR22C which was mistaken for CB.

73,

Jim
