From: John Lundberg WØVU

Membership: The EIDX has two new members. John Nelson, WØUZ, Red Letchford, KØLUZ, are active DX'ers and eager to swell our club aggregate scores. John is on 2 mtrs often, and Red is happy to chat with club members if you come across him on the HF bands.

Previous Business: A club meeting was held 21 Sep 1977. As attendance was low, I would like to briefly review the motions voted on.

- 1.. EI9V was voted an honorary member and subsequently sent a membership certificate.
2. Any member not fulfilling all membership requirements will be sent a letter of notification and be placed on probation for 1 year. If he fails to fulfill requirements for 2 years, he is automatically expelled..
3. Associate members now must upgrade to full member in two years or be placed on probation for one year. Expulsion is then automatic..
4. The EIDX will submit for aggregate score for the S.S. contest this year, both cw and phone..

Officers: Elections were held for club officers and the results were:

KØSVX- President
WØSML- Vice-President
WØVU- Sec-Treas

Club Roster: A new roster is attached to this newsletter. Hopefully it is complete and correct- if not, let me know.

Contests:

CO WW Phone: Judging from the chatter on 2 mtrs, club participation was quite heavy. Entries must be postmarked no later than 1 Dec. Please give me your scores at least one week earlier.

SS CW: The only known participants were VU, VX, and WP. If any other members operated, please let me know by 14 Dec. I do not need the scores; I submit a list of calls only.

SS Phone: Any participants?

CQ WW CW: This Big One is Nov. 26-27. Details are in Oct. QST. Propagation has been improving, so this should be a lot of fun. Entries must be postmarked by Jan. 15, 1978. Please give me your scores by 14 Dec., if possible.

Dues: If you haven't paid them, please do.

Sec-Treas Files: I have sorted out all our files and find info that may be of interest to members. It includes;

- Contest forms(available to copy)
- CQ single band WAZ applications
- CQ DX Award applications
- CQ DX zone maps
- Rules for CQ DX Awards
- ARRL WAS Application (to copy)
- ARRL OP Aids
- ARRL Public Information Booklet
- ARRL RFI Packet
- ARRL 1976 Annual Report
